MEMORIAL DAY AT KNAPPA. Pittingly Observed.—Other News Notes.

Memorial Day was fittingly observed here by the pupils of the schools. Appropriate exercises were held in the White school house in the morning, consisting of recitations and essays by the pupils, and speech making by Professor T. O. Hutchinson, Mrs. J. W. Crow, Mrs. A. Foster and others, after which the pupils, numbering about 60 marched to the cemetery and decorated the old soldiers' graves. Each pupil carried an American flag and bouquet of flowers, and while marching from the schoolhouse to the cemetery presented a beautiful spectacle. Prof. Hutchinson's memorial address was full of historic interest, and one to inspire patriotism in the hearts of all present.

The election passed off quietly.

Clayton Rykeman came down from Portland to spend Memorial day with parents, Mr. and Mrs. J. G. Rykeman.

THE KING'S CORONATION. The King's coronation promises to be the most elaborate and costly public function of modern times, and our country is to be represented there by three prominent statesmen selected by the president, who will represent our state, army and navy. Many other people will also attend the ceremonies, who will take the ocean voyage principally as a means of improving their health. They will, however, only obtain temporary relief, and their old complaints will surely appear again when least expected. The best way to recover your health is by strengthening and restoring the stomach to its normal condition by the use of Hostetter's Stomach Bitters. It is a positive cure for loss of appetite, nervousness, insomnia, indigestion, dyspepsia and malaria. Try it.
